Dear Mr. Masson

Temporary ICSD Membership

ICSD has given its due consideration as regards ICSD membership for your organization.

After much dialogue with ICSD, IPC (as per our Memorandum of Understanding agreement) and guidance from IOC, ICSD is now in position to grant FFH a temporary membership of six months effective from today's date.

I sincerely hope this will enable your organization to work closely with ICSD in producing a robust proposal about how FFH will be able to satisfy ICSD's criteria for membership whilst at the same time following the spirit of the Sport Movement particularly its Deaf athletes.

Sincerely,

Craig A Crowley MBE
President
